❖ SYSTEM OVERVIEW

Occasional malfunction of the icons is due to rendering issues. SVG images are used, and an external library handles rendering.

Accepted courses in the course field:
[BSCS, BSIT, BSCE]
regardless of typing format
(uppercase, lowercase, or mixed case).

If duplicate data is accidentally recorded, it will be sanitized, and only the first recorded data will be displayed.

If the inputted characters exceed the assigned maximum limit or contain unrecognized characters, the field will be highlighted in red.

ID number ranges per course, organized by corresponding year level, are as follows:
